**"Our Service Makes The Difference"**

*"Save Money, Time,  
and Less Stress!  
Don't worry about  
maintenance or  
replacing costly  
equipment."*

## Reasons To Rent

- *Its an excellent way to save money on equipment costs when you're starting out.*
- *Try before you buy!*
- *No need to buy accessories.*
- *Let's be honest, how often are you going to need that equipment?*
- *Less risk of damage if you have kids/pets/roommates It's easy to be vigilant about \$1,500 equipment when you've only got it for a short time. It's a lot harder when you own it.*
- *Equipment always works: Its checked after every rental before and after.*
- *Also a business can usually deduct the full costs of lease rentals.*
